Provide for the Supply of Seed Potatoes to Occupiers and  
Cultivators of Land in Ireland. A.D. 1890.

BE it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

5   1. This Act may be cited as the Seed Potatoes Supply (Ireland) Short title.  
Act, 1890.

2. The Guardians of any poor law union may apply to the Local Government Board for a loan under this Act for the use of any electoral division of their union, and if they satisfy the Local Government Board that the occupiers of land in that division are generally unable, through poverty and the extent of the failure of the potato crop, to procure an adequate supply of seed potatoes, the Local Government Board may approve of the application, and in that case shall transmit it to the Board of Works, who may, with the consent of the Treasury, make, out of any moneys at their disposal for the purpose of local loans, a loan to such Board of Guardians, on the security of the poor rate, leviable in the said electoral division, and without requiring any further or other security. Powers of Guardians to borrow.

20   3.—(1.) Such loan shall be repayable by the Guardians to the Board of Works by two equal instalments, the first of which shall be paid on the first day of August one thousand eight hundred and ninety-two, and the second on the first day of August, one thousand eight hundred and ninety-three. Terms of loan.

25   (2.) The interest on such loan or on so much as is for the time being not repaid shall be at the lowest rate fixed by the Treasury for interest on local loans in Ireland, and shall be paid by equal half-yearly payments to the Board of Works out of the Irish Church Temporalities Fund.

[Bill 148.]

A

A.D. 1890.

When any such loan is made for the benefit of any electoral division, all poor rates leviable in the division shall become forthwith charged, without any deed of mortgage or other instrument, with the repayment by the said instalments of the loan.

Orders for  
payment of  
loans may be  
made by Local  
Government Board.

4. If at any time the Board of Works certify that any sum is payable to them by the Guardians of any union on account of any loan under this Act for the benefit of an electoral division, the Local Government Board shall, by order under their seal, assess that sum on the electoral division, and shall send copies of the order to the Guardians and to the treasurer of the union; and thereupon the treasurer of the union shall, out of any money then in his hands to the credit of the Guardians, or if such money is insufficient, then, out of all moneys subsequently received by him on account of the Guardians, pay the amount mentioned in the order to the Board of Works. The Guardians shall debit the electoral division with the amount so assessed.

Application  
of loans.

5.—(1.) Where the Guardians obtain a loan under this Act for the benefit of any electoral division, they may apply the whole or any part thereof in purchasing seed potatoes, and in defraying all expenses incurred for carriage, storage, or otherwise in providing the same for sale, and shall when required by the Local Government Board, repay to the Board of Works any portion of the loan which is not so applied.

(2.) The Guardians shall sell such seed subject to the following provisions:—

(a.) Seed shall not be sold to any occupier of land the rateable value of which exceeds fifteen pounds, nor for less than the net price paid by the Guardians for it, including all expenses incurred for carriage, storage, or otherwise in providing such seed for sale:

(b.) The Guardians may sell to any such occupier of land a quantity of seed potatoes not exceeding twelve hundredweight:

(c.) They may sell to any person who cultivates for his own use any land under a contract made by him with the tenant of the land for the purpose of growing potatoes, seed potatoes not exceeding six hundredweight; but no such sale shall be made except upon the application of the tenant of the land, and upon his agreeing to pay to the Guardians the price of the seed so sold in the same manner as if the seed had been sold to him:

(d.) Seed shall not be sold to any person unless the Guardians, or such persons as the Local Government Board may nominate

in that behalf, are satisfied that the land into which it is to be put has been properly prepared, and is ready for sowing:

A.D. 1850.

(e.) An abatement of one fifth shall be made in the price of all seed which is paid for in cash; and any loss thereby occasioned shall be charged on and paid out of the Irish Church Temporalities Fund:

(f.) All sums received for seed paid for in cash shall be paid by the Guardians to the Board of Works at the prescribed times, and shall be applied in repayment of the loan with which the seed was bought.

6.—(1.) The amount due to the Guardians on account of any seed sold shall be paid by two equal instalments.

Recovery of price from purchasers.

(2.) For obtaining payment of each such instalment due from any person the Guardians shall levy the amount, where the person is rated to the poor rate, either as part of the poor rate payable by such person, or by a special rate to be added to the poor rate assessed on the tenements occupied by such person, and to be collected therewith.

(3.) Where such person is not rated to the poor rate the Guardians shall make a special rate for the purposes of this Act in which he shall be rated.

(4.) Every such special rate shall be recoverable in the same manner and with the same remedies by the collectors of the poor rate as if it were poor rate, and shall be lodged to the credit of the Guardians with the treasurer of the union.

(5.) Provided that no person shall be entitled to make any deduction from his rent on account of any such special rate.

(6.) The first of such special rates shall be made by the Guardians at the same time as the first ordinary poor rate made after the first day of August one thousand eight hundred and ninety-one, and the second of such special rates shall be made by the Guardians at the same time as the first ordinary poor rate made after the first day of August one thousand eight hundred and ninety-two.

The first instalment payable by each purchaser of seed shall be due on the day on which the first of such special rates is made, and the second instalment shall be due on the day on which the second of such special rates is made. Any such instalment may be paid to the Board of Guardians at any earlier date.

7. The Lord Lieutenant, with the consent of the Treasury, may, on the application of any Guardians made through the Local Government Board, postpone the payment of any instalment due from or to the Guardians under this Act to any day not later than

the first day of August one thousand eight hundred and ninety-five; and the time of making the special rates for the purpose of obtaining payment of any instalment so postponed shall be postponed for a corresponding period; and the postponed instalment shall become due on the day on which such postponed special rate is made. 5

Power of  
entry and  
inspection.

8.—(1.) The Lord Lieutenant, on the application of the Local Government Board, may, with the consent of the Treasury, appoint such officers of the Land Commission or other persons as inspectors to assist the Guardians in the purchase of seed potatoes under this Act, and in all arrangements for the inspection, storage, and 10 distribution of the same.

(2.) All purchases by the Guardians of seed potatoes under this Act, and all arrangements for the inspection, storage, and distribution thereof, shall be made subject to the regulations from time to time issued by such inspectors, and also subject to the approval of 15 at least one of such inspectors.

(3.) Any member of the Board of Guardians of the union, or any person nominated by the Guardians, or any such inspector, may at all reasonable times enter into and examine any land occupied or tilled by a purchaser of seed under this Act from such Guardians, 20 for the purpose of ascertaining whether the seed has been properly sown, and may do all acts reasonably necessary for that purpose.

(4.) For the purpose of facilitating such examination the Guardians shall keep a list of the names and addresses of all purchasers of seed, and shall permit such list to be inspected by 25 any person having authority to enter and examine under this Act.

(5.) If any person refuses to a Guardian or other person acting in execution of the powers conferred by this section admission to any land which such Guardian or person is entitled to enter or 30 examine, or obstructs or impedes him in so entering or examining, the person so offending shall be liable, on summary conviction, to a fine not exceeding five pounds.

Summary  
recovery of  
price of  
seed.

9. If any purchaser of seed from Guardians under this Act does not properly sow such seed, the Guardians may forthwith 35 recover the price of such seed, whether the amount is more or less than two pounds, before the justices in petty sessions, in the manner prescribed by the Act of the session of the twenty-second year of the reign of Her present Majesty, chapter fourteen, and any Acts amending it; and the provisions of such Acts shall apply 40 as if the amount was under two pounds.

—  
Powers of  
Local Government  
Board where  
Guardians  
make default.

10. It shall be the duty of the Guardians of every union, in which there is an electoral division in which the occupiers of land are generally unable for the reasons aforesaid to procure an adequate supply of seed potatoes, to make an application under this Act to the Local Government Board within the prescribed time, and if it appears to the Local Government Board that the Guardians of any union have failed to make such application within the said time, or if at any time it appears to the Local Government Board that any Guardians have made default in any respect in the execution of this Act, the Local Government Board may, if they think fit, carry this Act into execution with reference to such union or any electoral division thereof, and shall have for that purpose all the powers vested by this Act in the Guardians of the union. In such case application for any loan may be made by the Local Government Board directly to the Board of Works, and in other respects the Local Government Board shall be in the place of the Guardians so making default.
